Congratulations to the U16B team who were victorious in their Grand Final match against St Peter’s on Saturday winning 4 goals to 0. After finishing top of the table and undefeated at the completion of the round games.

Coach Anthony Weate was ecstatic with the team’s performance. He praised the girls for their commitment and attention to the small but important ‘one percenter’ throughout the match, not allowing St Peter’s easy movement in the pool and maintaining focus on the game plan. The season results was a great team effort by all players and very well deserved. Thank you to the parents and supporters for your support throughout the season and on the day. Well done girls!
